Mobile Alerts We provide voluntary Mobile Alerts. Voluntary Mobile Alerts must be activated by you. Mobile Alerts allow you to choose alert messages for your accounts. We may add new alerts from time to time, or cancel current alerts. If you have opted to receive an alert that is being canceled, we will notify you at least 30 days in advance. Each alert has different options available, and you will be asked to select from among these options upon activation of your alerts service. Voluntary Mobile Alerts are subject to the following:

- Electronic alerts will be sent to the email address and/or cellular phone number you have provided. If your email address or your mobile device's number changes, you are responsible for informing us of that change. You can also choose to have alerts sent to a secondary mobile device that accepts text messages. Changes to your primary and secondary mobile devices will apply to all of your Alerts.
- You understand and agree that your alerts may be delayed or prevented by a variety of factors. We do our best to provide alerts in a timely manner with accurate information. We neither guarantee the delivery nor the accuracy of the contents of any alert. You also agree that we shall not be liable for any delays, failure to deliver, or misdirected delivery of any alert, for any errors in the content of an alert, or for any actions taken or not taken by you or any third party in reliance of an alert.
- Because alerts are not encrypted, we will never include your passwords or full account number. However, alerts may include some information about your accounts. Depending upon which alerts you select, information such as your account balance or the due date for your loan payment may be included. Anyone with access to your email or mobile device will be able to view the contents of these alerts.
- Alerts received as text messages on your mobile access device may incur a charge from your mobile access service provider. Check with your carrier or terms of your wireless plan for details.

Electronic Mail (E-mail) One way we may communicate with you is through e-mail. If you send us an e-mail or otherwise provide us with an e-mail address, we may respond to your request by e-mail, but we will never send you an e-mail to ask confidential information about your account. Furthermore, you cannot use an e-mail message to conduct transactions on your accounts.
