"COMPANY'S COMING" CHOCOLATE CAKE

Total Prep Time: Approx. 6 hours Servings: 12-15 people

Ingredients: one box German Chocolate Cake mix, one 14 ounce can of Eagle Brand® Sweetened Condensed Milk, one 12.25 ounce jar of Butterscotch ice cream topping, three Heath® Candy Bars, one 8 ounce container of Kraft® Cool Whip®

Prepare cake mix, per instructions on the box for a 9-inch x 13-inch cake pan. Bake the cake. While still warm, use the handle of a wooden spoon to place holes at 1-inch intervals over the entire cake.

In a separate container, blend the sweetened condensed milk and butterscotch topping. Pour the mixture over the top of the warm cake.

Allow the cake to cool. Once at room temperature, evenly spread Cool Whip® over the top of the cake. Chop candy bars into small pieces; then sprinkle over whip topping.

Refrigerate the completed dish until the cake is chilled. Remove, and serve. Enjoy!
